DATED: 19.08.2015

Sub: Amendment in Enlistment Rules-2005 – (i) Introduction of New Class-I(Super) Composite category in CPWD (ii) Modification in eligibility criteria for Class-I(AAA), I(AA) and I(A) Composite category and (iii) Eligibility criteria for enlistment/revalidation in Class-I, II, III and IV Composite category regarding.

The Class, Category and tendering limit of all existing Class-I/II/III/IV contractors of Civil & Electrical category and Class-A/B/C/D of APQ contractors of E&M Services was modified to composite category vide OM No. DG/SE/CM/Enlist.Rules/12 dt. 31.03.2015. After 31.03.2015, no fresh application for enlistment in Class I to IV in civil and electrical category and annually pre-qualification of Contractors in Class A to D for E&M services are allowed.
